

...march 22, 1991...

**a house of cards  
where kings and queens  
jacks and aces – twos to tens  
dance the mystic carpet  
of my mind –**

**diamonds – clubs –  
with spades and hearts  
shift through myths  
that eyes have seen  
but ears have never heard –**

**a sworded king  
and sceptred queen  
slice through dreams  
to kingdoms  
that rule an ancient sun –**

**aces and jacks  
dance the stars  
through galaxies  
that prophesize  
an ending of the moon–**

**then the magic collapses  
to single cards  
scattered around  
with futures  
waiting to begin.**
