

...july 19, 1993...

*belly up i float
into a restaurant
of carpet seas
swallowing the air
like water -
blowing bubbles into words -*

*pleeese and
thaaankiing
yooouuu -*

*i swim through schools
of uncapped waitresses
and water deviants -
i plant my tail fins
into a corner
rocked by tables and loose chairs -*

*then sink into a drink
of almost air
breathing liquidity -
my eyes grow magnified
till i am drowned
in almost solitudes.*
