

A photograph of a seagull standing on a sandy beach. The seagull is white with grey wings and is looking down. In the background, there are several waves breaking onto the shore. The water is a mix of white foam and dark greenish-brown. The sky is not visible.

...july 25, 2007...

after so many days and weeks
of people plans and visitors
and visitings and schedules
i find a space to sleep the beach -

sun warm breezes stroke the skin
waves and sand - i'm drawn in -
drifting someplace in between
past and future memories.
