

A large, moss-covered tree with thick branches dominates the right side of the image. The tree's leaves are a vibrant green, and its trunk is covered in patches of moss. In the background, a park path leads into the distance, with several people walking and sitting on benches. The sky is a clear, bright blue. The overall scene is peaceful and scenic.

august 9, 2007

trees absorb the leaning wind
sending their breath down into me -
and just as naturally - i
breathe the wind back to the sky.
