*flash the light and flash the stage –
bar the mix and wine the stool –
pinch the dark and smile wide
to welcome the comedian –*

*voice and wit and merriment
with bottle glass and crystal cup
till chuckles ricochet the walls
from chortling to cracking up –*

*policies and protocols
dissolve into the ludicrous
reducing all insanities
into the ridiculous –*

*flash the light and flash the stage –
bar the mix and wine the stool –
pinch the dark and smile wide
to welcome the comedian.*
