

A photograph of a sunset over a large body of water. The sun is low on the horizon, creating a bright, shimmering path of light across the water's surface. In the foreground, the dark silhouette of a person is visible, sitting on a rock and looking out at the water. The sky is a mix of dark and light tones, with some clouds. The overall mood is serene and contemplative.

...november 27, 2013...

we exchange stray messages  
then fall to solitude  
watching the sun transmute into  
an amber spreading mood -

it guards our twilight moments  
until they disappear  
into mists of timelessness  
and moonlight mystery.
