

**...august 10, 2014...**

**come to me  
oh come to me  
dragon of the flies –  
i am waiting  
arms outstretched  
to catch your thousand eyes –**

**angel of the summer breeze  
oh four winged deity –  
let me welcome you into  
my new-born majesty –**

**oh dragonfly  
oh flying one  
god and goddess of the sun –  
come to me  
oh come to me  
and we shall be as one.**
