

...december 19, 2014...

who am i if no one knows  
the i-not-i this mirror shows?  
is it reflected imagery  
this me that other people see?

perhaps i only think i am  
mirroring reality  
if no one else i know can see  
this me-not-me that watches me -

am i the mirror face that stares  
deep into eyes i cannot see  
knowing i am here-not-here  
watching me from there-not-there -

i'm here-not-here and there-not-there  
so maybe i am everywhere  
in mirrors i have yet to stare  
from there into the here-not-here.
