

..december 21, 2016...

**the measure of a soul  
is in forgiveness –  
forgiving pain –  
abandonment –  
and harm –**

**the measure of forgiveness  
is in love –  
and loving every victim  
one has been –**

**by forgiving victimhood  
one forgives self  
and learns to see–  
by forgiving others  
one is free.**
