

...april 11, 2019...

**in the yard against the wall  
a row of tulip promises  
are holding court above a crowd  
of dandelion suns –**

**the prima dona hyacinths  
are showing off to daffodils  
stretching purple pink florets  
into cherry blossom rains –**

**a miniature kingdom  
of fragrant majesty  
cascading rainbow garlands  
to a fairy-tale spring.**
