**the unicorns are out –
rainbow skies in puffy clouded blue
a young girl with her stuffed toy
and seagulls flying aerobatics
above glinting waves –**

**the unicorns are out –
so invisibly alive
prancing gardens carpets
into multi-coloured flowers
flashing signals through**

**the rainbow artistry
in iridescent wings
of dragonflies
like fairies
hiding inside books**

**and inside children
dreaming fantasies
inside this oh-so-magical
phantasmagorical
creation of a world.**
