

...september 7, 2021...

**beautiful – the sun  
shining through translucent leaves  
in amber shades of gold –**

**beautiful – the filtered scent  
of roses rambling  
a backyard lane –**

**beautiful – the dahlias –  
multi-coloured giants  
nodding with the breeze –**

**all these magic nows  
flooding cells until  
i am released  
into the all-that-is.**
