**governing our mentality – the government is everything –
say it thrice to wash the brain – believe – believe – believe –
obey... obey... obey...**

**only the government is right – even when they're wrong –
there are no colds – there are no flus – only covid cases brew –
obey... obey... obey...**

**mask the children when they're young-deplete their brains of oxygen -
health ministries say yes yes yes – so it cannot be abuse
as we obey... obey... obey...**

**we'll exercise with masks on – until our bodies seize –
hypoxia's the real truth to win against disease
as we obey... obey... obey...**

**bow deeply to the media – both hollywood and government
who promise death unless we yell vaccine! vaccine! vaccine!
and we obey... obey... obey...**

**make prison camps of nursing homes and paint it as compassionate –
accelerate the suicides – drug the homeless – slur the wise –
obey... obey... obey...**

**avoid the oceans parks and trees – we don't need birds or bees
and certainly not air or truth – or hugs or honesty –
obey... obey... obey...**

**watch us cringe so willingly – brainwashed into triplicate –
good nazis pointing fingers at all who contravene –
as we obey... obey... obey...**

**our rulers will protect us with imprisonment and fear
unless we promise obsequiously to believe and kneel
and obey...obey... obey...**
