

...march 24, 2021...

**there's an eek in the peek
when a crawl in the creek
nets the raw of a craw
to a fish spotted pot –**

**a prance to the pan
plus the oil in boil
plus the utter of butter
brings dine to the diner –**

**with a whine to the wine
on this daisy of days
we'll relish the ate
in appreciate.**
