

...august 12, 2022...

**unicorns and fairy mounds
we'll catch the inner trails
to walk the ferns and moss with trees
towering above –**

**we'll join the fairy realms
of whistling chickadees
with ducks and squirrels and dragonflies
and dancing bumblebees –**

**we'll wander to a hidden lake
past salamander streams
where dryads whisper into leaves
rustling our dreams.**
