

A misty forest scene with several tall evergreen trees in the background. The scene is shrouded in a light fog or mist. In the foreground, there is a calm body of water that reflects the trees and the misty atmosphere. The overall tone is soft and ethereal.

...november 21, 2024...

**curled in a bucket-chair
i let my thoughts expand
spiraling past pale walls
into the far-beyond –**

**outside sun is penetrating
clouds of stretching fog
capturing my inside eyes
in double images –**

**huge and fuzzed and welcoming
it wraps my window view
as if am a child
still awakening from dreams.**
